

**St. John Ev. Lutheran Church**  
**Reservation of Columbarium Niche**

Columbarium niches are available in the St. John Cemetery and can be reserved ahead of time for a fee. Sale of niches are available for members of St. John Ev. Lutheran Church or former members of St. John with approval by Elders and Pastor.

Columbarium niches can contain up to two urns (approx. size: 12”h x 10 ¼” w x 13” deep)  
Cost: One urn placement - \$500; Two urn placement - \$750 (\$250 cover’s cost of reopening of niche to receive second urn.)

The doors of the niches are granite – the lettering is at the expense of the owner.

Lettering can be engraved right on the granite, or a small plaque can be attached.

If the owner no longer desires to use the niche (and no engraving or plaque has been placed), it shall be returned to St. John as niches can only be sold by St. John Ev. Lutheran Church and the rights are not transferable. Only one-half of the original purchase price is to be refunded.

All monies received are to be placed in “Cemetery Maintenance Fund”.
